Job posting
Industrial Electronics Technician (m/f/d)

To strengthen our team, we are looking for a full-time employee (m/f/d) for electronic testing and assembly work at our Bensheim location.

Your tasks

- Testing, analysis and troubleshooting of relays and electronic assemblies
- Assembly of our products according to specifications
- Carrying out high-voltage tests at existing test stations
- Recording and documentation of test results and work processes
- Soldering work on electronic components

Requirements

- Completed vocational training as an industrial electronics technician or a comparable qualification
- Experience in soldering
- Meticulous and conscientious work style
- Reliability and a strong sense of quality
- Flexibility and ability to work in a team

This is what we offer

- On-the-job training within a dedicated, competent team
- Single-shift operation
- Long-term employment
- Modern, family-like work environment with short decision-making paths
- Support for your personal and professional development
- Additional optional benefits, e.g., company pension scheme with an employer contribution exceeding statutory requirements
