

## Job posting working student video marketing (m/f/d)

To support our team, we are looking for a working student (m/f/d) in the marketing department at our location in Zella-Mehlis.

### Your tasks

You will actively contribute to the marketing of technical products in the B2B sector through the following activities:

- Implementation of specific video production projects
- Creation of 2D and 3D animations
- Post-production (audio & video)

*Optionally, you will support our sales team with*

- Maintenance of the company websites and the creation of new content
- Creation of brochures and other printed materials to support sales

### Requirements

- Enrolled student (m/f/d) with a strong interest in marketing
- Creativity and the ability to develop and successfully implement your own ideas
- Enjoyment and interest in video production (e.g., filming, editing, post-production)
- Independent working style
- Flexibility
- Reliability

*Initial experience* in the following tasks is desirable

- media production with Adobe Creative Cloud (InDesign, Illustrator, Photoshop, etc.)
- Content management systems (e.g., Joomla, WordPress)

### This is what we offer

- training "on-the-job" within a dedicated, competent team
- Long-term employment with a secure income that provides financial freedom during your studies
- A modern and friendly work environment with short decision-making processes
- Flexible working hours (home office possible)
